### AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (Currently amended) A multiple scent-containing article of manufacture for emitting multiple scents when in use, wherein at least half of the scents in the article share a common theme, and further, wherein said multiple scents are normalized so that there is an equivalent intensity of scent experience for each scent in said article of manufacture, derived from, supported by, or based on only the scents in said multiple scent emitting article, rather than events taking place simultaneously in some other media.
2. (Original) The multiple scent-containing article of manufacture of Claim 1 wherein all of the scents in the article share a common theme.
3. (Original) The multiple scent-containing article of manufacture of Claim 1 which is not designed to be used simultaneously with other media.
4. (Original) The multiple scent-containing article of manufacture of Claim 1 wherein the theme is derived from, supported by/based on only the scents used in the multiple scent-containing article of manufacture.
5. (Original) The multiple scent-containing article of manufacture of Claim 2 wherein the common theme is selected from the group of themes consisting of:
  - (a) floral and bouquet themes;
  - (b) pleasant location themes selected from the group consisting of sylvan, flowery garden, forest, field, sea, or mountain themes;
  - (c) themes for relaxation;
  - (d) themes for stimulation;
  - (e) themes relating to various times of the day;
  - (f) scents from various countries, states, cities, or geographies;
